Having **supporters**
who will know
your needs
and can take over
responsibility for your
care in a crisis

daily maintenance plan

triggers

early warning signs

when things are breaking down

crisis planning

post crisis plan

Cost

(includes lunch & materials)
Unwaged £40.00
Voluntary Sector £60.00
Statutory £80.00

Facilitators:

Chrys Muirhead & Eric Nicol

Chrys is a passionate believer in mental health recovery, she has lived it and supported others in their recovery, and is keen to promote WRAP as a useful self-management tool on this journey. Chrys lectures in Care subjects, is also a qualified community educator and has recently started working independently as a trainer and consultant

Eric is himself in recovery from mental ill health and is currently employed by Turning Point Scotland as Recovery Impact Worker for the whole organisation. Eric is passionate about recovery, has experience of delivering training, and is currently developing WRAP training for all of TPS as it has been recognised that WRAP can work for anyone
